Staffing Update

Nikki from red room will no longer be returning to work after her maternity leave finishes as she has relocated to Pontefract to be near her family. We wish her and her family every success in their new adventure.

What have we been doing?

Pink Room have spent a lot of time outdoors. They have loved filling and emptying the containers in the mini mud kitchen.

Green room have been looking at insects. They have made different bugs from playdough and made ladybirds with various collage materials, counting the spots as they stuck them

Red room have been looking at different festivals that various countries celebrate; looking at different patterns, colours and textures through the different foods.

Blue room have been learning about different occupations. They particularly enjoyed being vets, bandaging the animals who had hurt themselves and giving them medicine to make them better.

Donations

As the weather is getting warmer and the children will be spending a lot of the time outdoors, if you have any guttering, piping, plastic tubing, logs, tree slices etc. that you no longer use, please feel free to donate them to develop the children's interests.

Director's Corner May 2017

As promised, you will shortly be receiving a questionnaire to ascertain the demand for the 30 hours Early Education Entitlement which will start in September this year. As many of our parents work we expect the demand to be high so it is vital that you return it to your child's nursery as soon as possible. To ensure we can cater for as many children as possible we will be offering 2 types of childcare agreement – the fully funded hours agreement which will offer a totally free place to an eligible child, and the agreement for additional services which will give parents much greater flexibility in their childcare needs. Both agreements are explained fully in the letter that will accompany the questionnaire so it is very important that you read it to make an informed decision as to what type of childcare agreement you sign.
